TIGER SPILLY

Rock god's daughter makes heavenly slip

WHILE holidaying with her family in France, spunky **Heavenly Hiraani Tiger Lily Hutchence** (Tiger for short) – daughter of Aussie INXS singer Michael Hutchence and British rock journalist Paula

Yates – has suffered the best kind of wardrobe malfunction: the kind involving BOOB.

It was inevitable that the offspring of two such handsome stars was gonna be attractive, but what we didn't count on was how much, from certain angles,

the 19-year-old resembles her dad. Er...except she's a chick.

Anyway, it reminds us how sad we are the legendary frontman is no longer around.

Then we look at Tiger's triffic tata and that cheers us up again.

A blonde woman with short hair is posing in a boxing ring. She is sitting on the red and blue padded floor of the ring, with her legs spread wide. She is wearing white underwear with pink stars and the words "Wonder Woman" and a lightning bolt logo. Her arms are raised, and she is holding onto the white ropes of the ring. The background shows the blue padding of the ring and a red strap hanging from the top.

RING BELLE

KNOCKOUT!

Mel's left-right combo will leave your floored!

PHOTOS BY MATRIX STUDIOS

WE'RE feeling a bit punchy right now and it's 'cos we just eyeballed these SMASHING pix of British pin-up **Melissa Debling** stripping off in a boxing ring.

The busty 26-year-old has crushed us with some HEAVY TITTING...er, hitting and left us reeling with big shots from her dynamite...BOOBS!

Yep, Mel's magnificent mams have us on the ropes – or ready to spill some ROPEY SPERM.

Either way, we'll be flat on our backs and snoring in about 30 seconds, we reckon.

However, the concussion and dehydration will be worth it. So, tell us more about them chesticles, champ.

"I'm told I have great nipples," Mel laughs, "so they deserve to come out. People think boobs are just about size, but shape and nipples are also important!"

Too right. It's been far too long since we last laid eyes on those ▶

**'I HAVE

WHEN

CARDIO'**

► world-class wumbas – our joyously festive January 5 issue, to be exact.

What's Mel been up to since then, we wonder? Rooting tons of blokes, eh?

"After a date with this guy I fancied, he said he'd walk me home," she confesses. "There was a shortcut I knew across a golf course so we took a little detour.

"We ended up in a bunker and made a SERIOUS mess of it. I was waking up and finding sand for days afterwards."

Sounds uncomfy. Any other quirky sex yarns you wanna share with us, Mel?

"I was at a festival with a big group and ended up with an ex back in my tent. I was sharing it with a friend, but that didn't stop us – we had sex right next to her and she didn't have a clue!"

'I ALWAYS GET TOLD NICE THINGS ABOUT MY NIPPLES'

Classic! A threesome went begging there!

Back to this boxing shoot. If Melissa got into the pugilistic game, what nickname would she use?

"'Crazy Mel' Debling! Some of my friends call me 'Crazy Mel' 'cos I get a bit too rude. I went to a wine bar the other week, then went out for pizza and the trouble started. I got confused over how many slices we were allowed and I threw my plate across the table. Don't touch Debling's dinner!"

Or else you'll get a smack in the chops. On the plus side, you'll also see a beautiful (but angry) babe before you see a bunch of stars. 

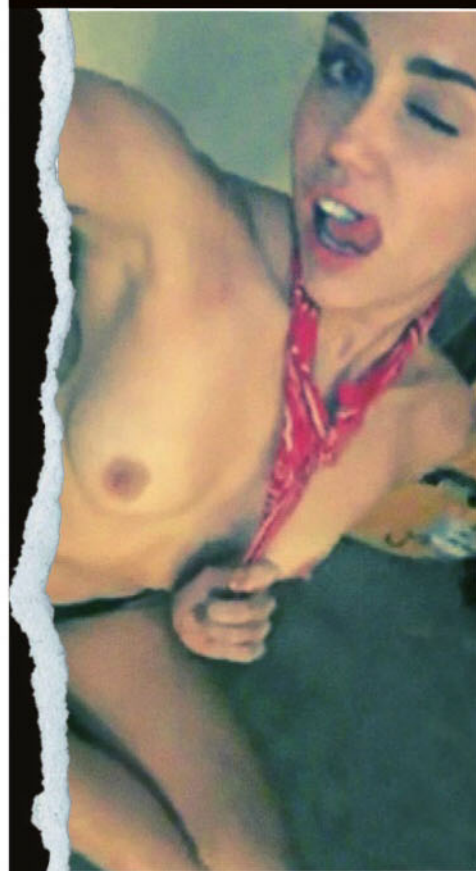

**BOTTLE

RIINA'S CHARLIE

SO SERIOUS about staying hydrated is Charlie Riina that she carries her bottle into the Malibu surf. We'd joke about it slipping her mind that white cotton turns see-through in water, but the 31-year-old Canadian glamma is a brainbox – a former chess champ admitted to uni two years early. Which means the wet-tee action was intentional. Excellent.

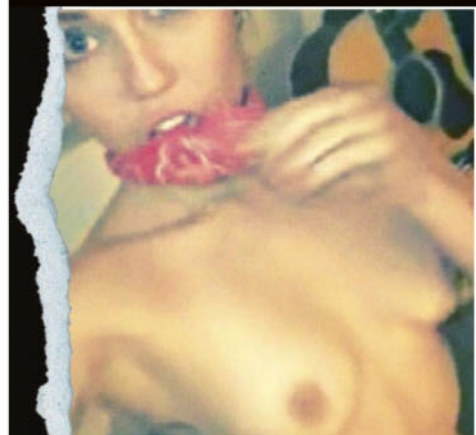

#MILEY #BOOBS

SOCIAL MISS TITS

SEPGOLIAN style magazine

Interview's September issue has an Instagram theme, with multiple covers of social media-crazy A-listers and shoots where the pics resemble selfies. Surely it would have been more entertaining to imagine what internet-shy current stars or idols from past eras might do/have done with Instagram ...but who are we to argue with the rosy "Like Buttons" of **Miley Cyrus**?

SITS WELL

BOTTY KEEN

HOW fitting that English popster Hatty Keane – whose songs include *Caught You Out* and *Best Kept Secret* – should be captured on camera flashing a previously undisclosed and utterly beaut bum. Hats, 20, was leaving a fashion bash in London when the cosmic coincidence occurred. Incidentally, she's also got a track called *Heartfail*. Take a deep breath or yours might.

YOUTHFUL CHARMS

MADS RUSH

"WHO is she?" asks Michael Caine's character. Replies Harvey Keitel's: "God." Close. She's actually 27-year-old Romanian model-actress **Madalina Ghenea**, and the scene takes place in a Swiss spa in the 2015 Italian fillum *Youth*. Mads may be familiar to celeb-watchers as an ex of Leonardo DiCaprio. Jesus, is there an international hottie that fella hasn't rooted?

MIAMI
SLICE

HAWT TO TWAT

FIRSTLY, we're sorry about whatever you did to injure that foot, Anais Zanotti. Was it related to your gig as a stuntwoman? What we aren't sorry about, though, is ogling this shot of you doing yoga in a park in Miami. Not because of the cracking camel toe, you understand. It's a little-known fact that we're really big yoga fans in the office. Yeah, we love a bit of downward doggy.

PAM-POMS

GLITTERING PRIZE

ONLY photo maestro David LaChapelle could make **Pamela Anderson** appear totally trashy and gorgeously glamorous at the same time. Youse will have to pick up the new ish of *Flaunt* to perv on the entirety of the sideshow alley-flavoured pictorial. Returning to Pammy – fuggin' wow! She may be 48, but this legendary sex kitten could still have any tomcat in town. Not to mention half the pussies.

SAY YES TO JUGS

IF YOU'RE interested in the cocaine war between America's DEA and Colombian crime lord Pablo Escobar (and his Medellin Cartel buddies), you should check out Netflix series *Narcos*. It's packed with tension, violence, striking scenery, historical footage, dodgy politics and yummy Latinas. Here are two examples of that last category: **Cristina Umaña** (below) and lovely **Laura Perico**.

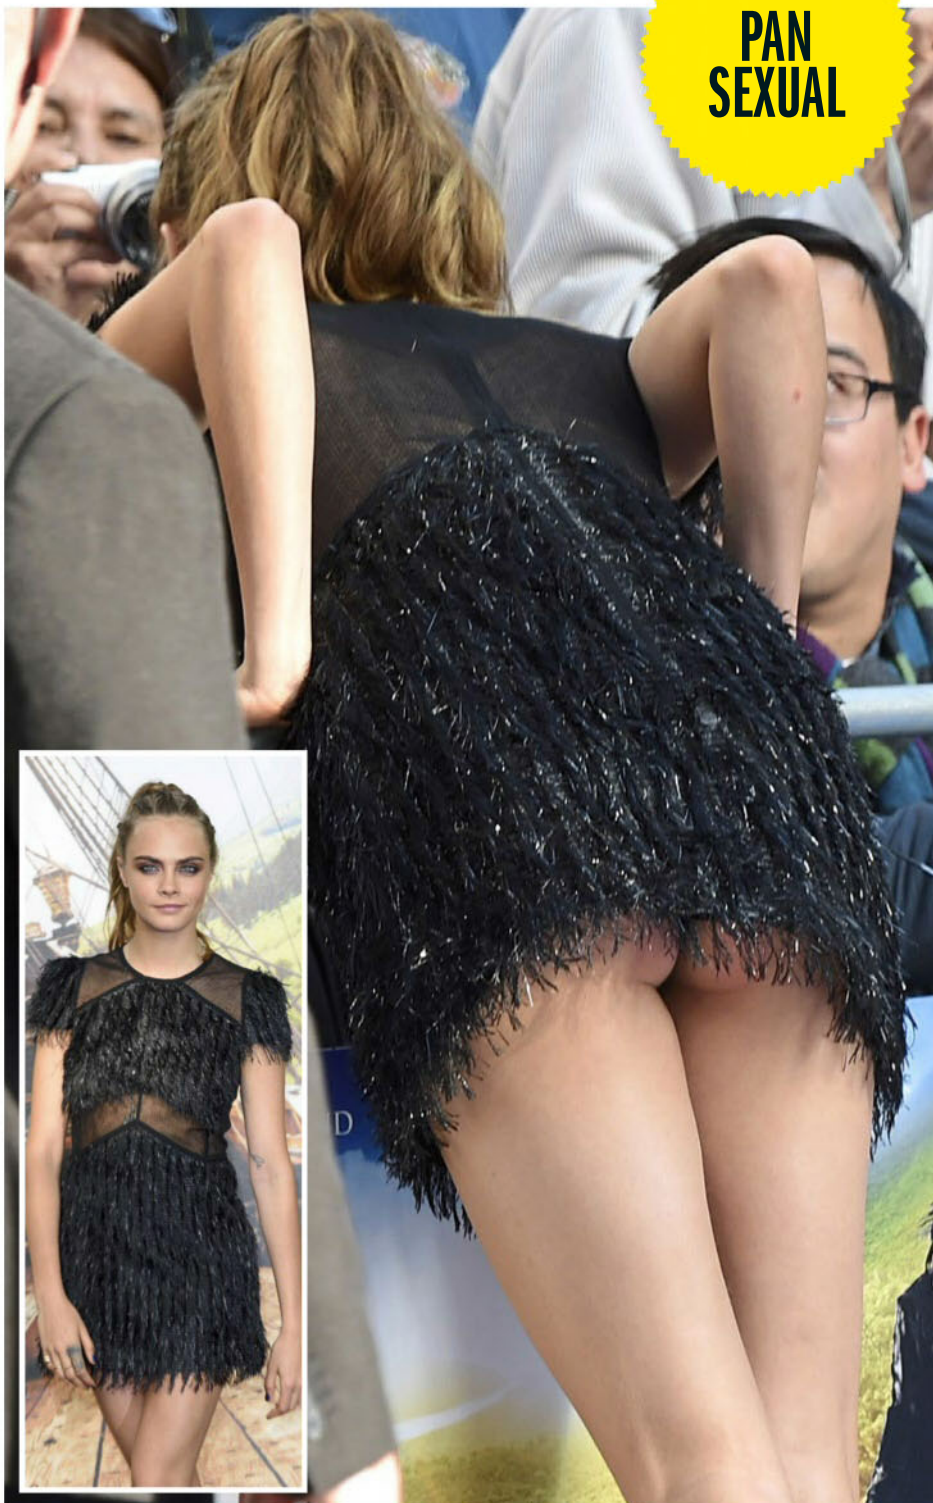

HELLO, I'M...

ALYSHA

MEET 21-year-old Alysha. She's from Estonia, the country that gave us Skype, the ripper software that basically allows free phone calls over the net. Not that AI was involved in its creation. Still, you can bust out that Estonian trivia if you ever run into the lass on a trip to Tallinn or Tartu. Assuming her pretty face and flawless frame don't immediately cause you to lose the power of speech.

PAN
SEXUAL

PREMIERE DERRIERE

CHEEKY Pom supermodel Cara Delevingne is going great guns in the movie biz, with five very different flicks happening in 2015. The latest, fantasy adventure *Pan*, in which the 23-year-old plays a mermaid, recently had its London premiere. That's where Cara bent over this rail to pose for a piccy. Well, two piccies, to be precise. One was particularly cheeky.

VÉLEZZING IT UP

TECHNICALLY PERFECT

NEXT time a wowser tries to tell you that pin-up chicks are being exploited because they've got no better way of earning a quid, point them towards this edition of Colombia's *SoHo*, starring model and WORKING DESIGN ENGINEER **Natalia Vélez**, 29. On second thought, keep it to yourself – dumb pricks like that don't deserve such glorious visions of multi-skilled womanhood.

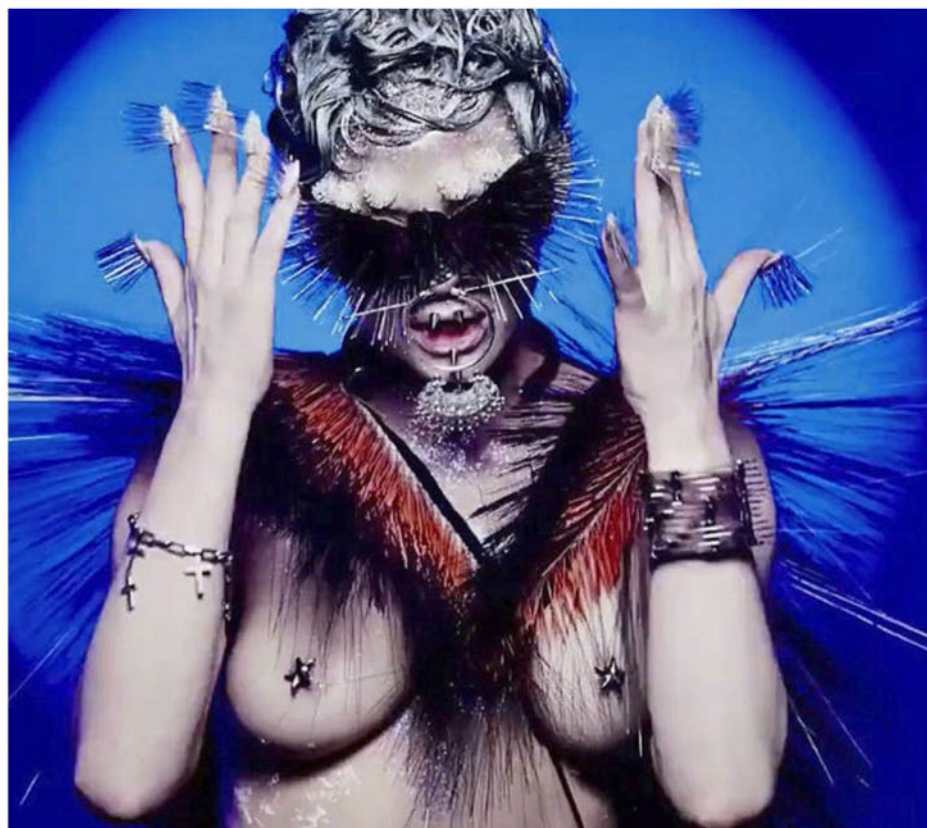

WILD ROSE

AFTER years of dabbling, Hollywood spunk **Rose McGowan** has released her first official music video, entitled RM486. Among other thangs, it sees her portraying a topless alien. As you do. The 42-year-old actrine told *Billboard* magazine that the

extra-terrestrial symbolises her outsider status at school and when she achieved stardom. Weirdly, Ms McGowan recommends listening to the ditty in a car. Which sounds like a waste of alien bosoms to us!

SHARING THE LOVE

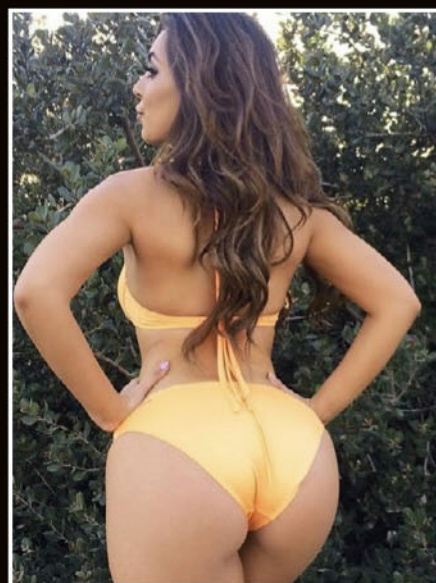

The freshest flesh on celeb social media

When *People* favourite **Gabi Grecko** detonates a blonde bombshell in a doorway, our underpants explode! We'll get a mop...

Seppo-tastic fitness module **Lindsey Pelas** makes us wanna get in shape. Let's begin with some push-ups...

Newbie **Uldouz Wallace** does it all - writing, acting, comedy-ing and displaying her magnificent sitting gear.

AnOther

Dakota Johnson

MASS APPEAL

DAK'S RACK

PRESENTLY in Oz cinemas in gangster yarn *Black Mass*, **Dakota Johnson** is famous for baring bod and sampling S&M as *Fifty Shades Of Grey*'s Anastasia Steele. The 26-year-old doesn't show quite as much in the autumn/winter ish of *AnOther* magazine, snapped by Collier Schorr, but something about her attitude makes the images saucy as. Must be a trick she learnt from that Christian Grey fellow.

LIMA
BEAMS

HOT-BUTTONS ISSUE

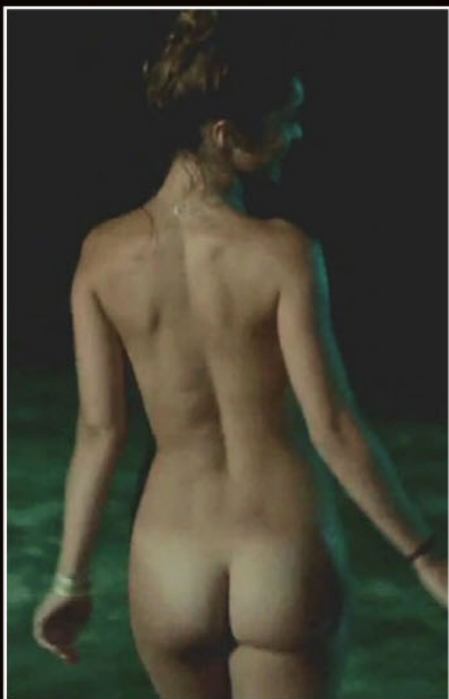

THIS, ladies and gentlemen, is what you call a smoulder. Take a bow, 34-year-old Brazilian supermodel Adriana Lima. No, wait! If you do, we won't be able to drink in the wine-dark nipples visible under your glad rags. Best just to hold the stunning stance until we give ya the all-clear. Shouldn't be long now...

NORK-OTICS

SEXUAL LANN-TASY

FROG fillum *Un Moment D'Egarement* (*One Wild Moment*), a remake of a 1977 dramedy, is about a bloke who shags his mate's adult daughter and the trouble that follows as he struggles not to be found out – or bloody murdered! Newcomer **Lola Le Lann**, 19, plays the young lass who doesn't want to let go of her older fella. She's fine ditching her clothing, though.

COMING SOON

CASTELLE

LOOK, *Star Wars: The Force Awakens* isn't opening until December 17, so don't start getting too excited about that YET. What you should be eagerly anticipating, since it'll be released way before Disney's mega-sequel, is the rest of this photo shoot of luscious local Castelle. We guarantee not to let George Lucas fuck with it.

MOTÖRHEAD JOB

FEMALE fans of heavy metal royalty **Motörhead** can now bang their heads and their PUSSIES while listening to their ripper new album *Bad Magic*, courtesy of the British band's just-released range of sex toys.

Lemmy and mates got into the female satisfaction bizzo after being inspired by an old tune.

"One of the songs on our debut album was called *Vibrator*," he told *NME*, "so we had to have our own one day, right? Apparently, it was worth the wait!"

Chicks can go online and select from a range of four different Lovehoney Motörhead vibes, all featuring the band's logo. Rock-and-fuckin'-roll!

HAIL TO THE QUEEN

SAD to report the recent passing of Golden Age superstar and feminist porn director **Candida Royalle** at age 64.

The New Yorker came to fame in the 70s, starring in stick-flicks such as *Fascination*, *Taxi Girls* and *Champagne For Breakfast*.

In 1984, she went behind the cameras and directed several ground-breaking couples-friendly flicks.

Candida also developed a line of marital aids, was a public speaker and author, and received a Doctorate in Human Sexuality in 2014.

Ronda gets rowdy

UFC women's bantamweight champ "Rowdy" Ronda Rousey is the baddest woman on the planet and now, courtesy of new porno parody *Ronda ArouseMe*, she's the RUDEST woman on the planet!

X-rated rooter **Kleio Valentien** plays the title role, although she spends more time giving blowies than applying armbars to her opponents.

Meanwhile, Ronda's been offered US\$5 million to star in another parody, Axel Braun's *Captain Marvel XXX*. Somehow, we can't imagine her taking up his admittedly generous offer.

LEAGUE CHAMPIONS

WHAT happens when mad scientist Victor Frankenstein opens a portal to another dimension and unleashes evil, sexy Hook and her pirate army onto an unsuspecting world?

He gathers the greatest heroes of the early 20th century to fight her, including female vampire hunter Van Helsing, *Tomb Raider*-ish explorer Jane, grown-up Alice from Wonderland and nympho fairy Tinkerbell.

Er...if you think **League Of Frankenstein** is an X-rated

parody of Sean Connery's *The League Of Extraordinary Gentlemen* (2003), then you'd be right.

But unlike that box-office bomb, it's quite entertaining, probably because of the many steamy chonking scenes featuring the likes of **Jasmine Webb**, **Francesca Jaimes**, **Mia Malkova** and **Sienna Day**.

A warning, though...after seeing Alice fuck The Mad Hatter, you'll never look at cupcake icing in the same way!

MEET THE MILF SYREN DE MER

BORN: June 24, 1969 in Seattle, Washington

STATS: 34D-24-37

QUICK FACTS: The former swinger and gang-bang host decided to get paid for her hobbies, so entered porn at the mature age of 37. Not surprisingly, she was an immediate hit in the MILF/cougar genre: "I figured I was already swinging and I was already fucking all the time," laughed Syren. "Why not take it a step further?"

STARS IN: *Big Booty Moms 2*, *Kinky Cougars*, *MILF Kabob*, *Fuck My White Wife 4*

DO YOU WORK OUT TO STAY IN SUCH GREAT SHAPE?

"I fuck for a living. Other than that, no, I don't. I have very good genes."

FAVOURITE POSITION? "I like to keep it varied. I have lots...actually, every position is a favourite. Probably the easiest position for me to orgasm is missionary."

HOW OFTEN DO YOU HAVE AN ORGASM FILMING

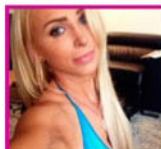

A SCENE? "Sometimes once; sometimes 5-6 times!

As I get into my crazy, nympho 40s, I have different orgasms. I still have my really big intense ones, but I have other ones that kind of sneak up on me. It's an adrenaline rush."

BALL IN THE FAMILY

LIKE MOM LIKE DAUGHTER

They're randy, root-mad

WHAT do **Dylan Phoenix** and some of porn's finest woodsmen have in common? They've all been **INSIDE Ryan Conner**. That's 'cos the Las Vegas duo are **MUM AND DAUGHTER** – and they're wowing the XXX world!

They may not have done a film together YET, but separately they offer the best of both worlds: a cock-hungry 44-year-old MILF (that would be Ryan) or a tight-twatted 19-year-old nympho (say hello, Dylan).

And it was Mummy who encouraged Dylan to become a chonking chip off the ol' block!

"Earlier this year, she came to me and said, 'Mom, I want to know what you think about me getting into porn,'" Ryan reveals. "The best I could say is, I had a blast so I hope you have a blast. Let me set you off on the best path I know so that you can have the best career and the best fun. So that's what I did." ▶

► Laughs Dylan, "My mother gave me two bits of advice: don't lose heart and always keep your pussy wet!"

Ironically, it was her daughter who inspired Ryan – who'd been out of the jiz biz for 10 years – to get back into spreading her legs for the cameras a few months back.

Sadly, Ryan has put the kibosh on the two appearing in any scenes together...for now.

"I'd be very uncomfortable with it, but I can't say how I'll feel in the future," she explains "Will it be in the pipeline someday? I can't say that it won't."

But don't be too disappointed by this news, 'cos these hornbags are PLENTY FILTHY anyway ...both on screen and off.

Take Ryan (and why wouldn't you?), who says her fave porno possie is doggy style because

As for Dylan: "I don't know the name of it. It's when I'm on my back and my legs are straight up in the air. You're holding me with one arm and spreading my ass cheeks with the other, something of that nature. It hits my G-spot perfectly!"

As for future fantasies, Dylan assures us, "I want to do a gang bang. Having that many people fucking the shit out of me would be so much fun."

Sure would. Though not half as much fun as watching you and your mother getting banged side by side!

Bubbles or jubbles...
What's a girl to suck first?

TEQUILA SLAMMED

Reality sexpot gets the (jack)boot over online druggy Fascist rant

SAY what you like about the pocket-sized nude model, TV personality, singer and flaming comet of crazy known as **Tila Tequila**, but the girl can sure liven up a dull reality series.

Which is why the producers of *Celebrity Big Brother UK* probably rued chucking little Miss TT outta da house only a day after she sashayed in there.

It was all shaping up so well, too. Right from the get-go, Tila let her intentions be known.

"British men are cute. I would definitely bone Prince Harry," she declared, adding, "I would suck Tom Hardy's nuts!"

Unfortunately, neither His Royal Ranga-ness nor the latest

Mad Max were housemates. But a few weeks locked up with the Singapore-born, Vietnamese-American firebrand was starting to look like a barrel of fun.

Except trouble was lurking just around the corner. Back in 2013, Tila had posted a photo of herself online wearing a Swastika armband, an SS hat and brandishing a pistol, all while Photoshopped in front of the Nazi death camp Auschwitz.

If that wasn't enough for the producers to remove her from the show, in the accompanying text she explained why she thought Adolf Hitler wasn't such a terrible bloke after all.

"He was not a bad person as they have painted him out to

be," she wrote. "Not even close! He was painted out to be a monster after his death. This is what breaks my heart. Hitler was a good man and it takes some fucking balls for someone to say this out loud in this day and age, especially for a public figure like myself."

Oddly enough, only a year earlier, Tila had announced that she was contemplating converting to Judaism, but it's a girl's prerogative to change her mind, right?

A little later she was backtracking on her Adolf crush: "I was doing a lot of drugs. I wasn't well in the head."

No shit. But then TT's always been a bit hard to keep up with.

Performing at a Juggalo event and (left) hosting a party in Vegas

'I WAS DOING A LOT OF DRUGS. I WASN'T WELL IN THE HEAD'

From the time she was running with street gangs in her home town of Houston, Texas at age 15, when she was still known as Thien Nguyen, she's been a big helping of wild, with a side order of nuts.

Surprisingly, considering her adopted surname, she prefers pharmaceuticals to booze, often sharing home-made soft-porn videos of herself while under the influence of something.

Less surprisingly, quite a few not-so-soft videos of her have also surfaced over the years, involving both men and women.

But while Tila's music career may have stalled – many people were not totally shocked when her 2010 single *I Fucked The DJ* tanked – her worth as a reality TV star could never be doubted.

From her initial appearance in Ted Nugent's VH1 series *Surviving Nugent* to her own bisexual dating show *A Shot At Love With Tila Tequila*, it's always been obvious it's what she was born to do.

Which makes it all the more annoying that they kicked her off *Celebrity Big Brother UK*.

Ah, well. Their loss. *disgrace-o-meter*

JUST ASK JEWELL

Expert sex advice from the brainiest babe we know!

SURPRISE PARTY

JEWELL, my wife and I have talked about involving a third party in the bedroom. I wanna see her as the centre of attention with myself and either another guy or a couple. I'm not sure how to go about organising it, though. Also, should I give her a heads-up when it's happening or surprise her? She likes surprises.

BB, Qld

■ There are two things in your favour: 1. Your wife enjoys surprises, and 2. She's into the idea. What you need to get right is the people. Online dating services are best for stating exactly what you're after with no small talk required. Make sure you choose partners who suit HER tastes: height, weight, hair, eyes and so forth play a big part in fulfilling a fantasy. As far as the timing, ensure there's nothing that could kill the mood, e.g. she's on her period. Finally, BB, don't expect too much from your first group encounter as things may be awkward until you discover what works and what doesn't.

'IF YOU JUST WANNA EMPTY YOUR LOAD, GO TO A BROTHEL!'

VIRGIN TERRITORY

YOU know that film *The 40-Year-Old Virgin*? Well, I'm the 20-year-old virgin and overdue for a steamy encounter. I've checked out a few hook-up sites, but so far found them expensive or unsatisfactory. Can you advise me on how to get some action before my balls explode?

Mac, NSW

■ Have you heard of Tinder? That shit is FREE! If you're not looking for a relationship and just wanna empty your load, go to a brothel. They're not super-expensive and you never have to hear from her again. Just don't fall in love and start spending your pay packet there every week...although that might still be cheaper than some girlfriends! But what's the rush, Mac? There's nothing wrong with waiting until Ms Right comes along. In the meantime, just masturbate!

HORNY HUBBY

MY WIFE was in too much discomfort while pregnant to even look at my cock, let alone touch it. Anyway, it's four months since the birth and she still says she's not ready for nookie! Surely there's an unwritten rule that if this

goes on for too much longer, I'm allowed to visit a hooker. That's fair, right?

Bazza, Vic

■ Stop being a selfish cunt, Bazza! Pain and/or a loss of sex drive is something that can happen to a woman after childbirth. It's also part of what you signed up for when you

decided to become a father! While you might hear about chicks allowing their partners to visit brothels during this period, that doesn't mean it's common. Don't take it upon yourself to just go! Sit down with your missus first and ask about how she's feeling, both physically and mentally. Then, at the appropriate moment – and assuming your woman is an open-minded type – you can gently raise the prostitute idea.

UNDRESS CODE

MY FELLA really likes having sex with our clothes on... well, most of our clothes on. But I hate it! Partly because you end up with stains on things, and partly because it just feels weird and not romantic at all. How can I break him out of this habit?

Sally, Qld

■ How long have you known this guy, Sally? Was he always this way? If the answer's yes, I have to ask why his kink is only bothering you now. People are usually very set in their ways as far as what turns them on. So if this is the way your man loves to do the deed, then changing IT may alter the way he feels about YOU. Perhaps he suffers from body issues? The most important thing to do is discuss with him why he prefers sex in this particular way. Only then can you work out if the clothing thing really bothers you – and whether it's time to look for a new partner.

VISITING his grandparents one weekend, a young kid goes out onto the front porch and finds his grandpa sitting on the rocker and naked from the waist down!

"Grandpa, whatcha doing with your weenie hanging out?" the boy exclaims. "Everyone can see!"

When the old man simply rocks back and forth in his chair, not replying, the kid shouts, "Gramps! You gotta put on some pants or I'll tell Grandma!"

Hearing this, the old fella growls, "Shut up, boy! Last week, I got a stiff neck from sitting out here without a shirt. Trying it with no pants was Grandma's idea!"

Harsh sentence

A TEACHER asks her students to use the word "contagious" in a sentence.

Little Jenny says, "I caught the chickenpox last month and the doctor told me it was very contagious."

"That's good, Jenny," nods the teacher. "What's your sentence, Timmy?"

Little Timmy says, "Always cover your mouth when you sneeze, so you don't spread contagious diseases."

"Well done," says the teacher. "OK, who's next?"

Little Johnny puts up his hand, but as he has a reputation as a potty mouth,

the teacher warns, "Johnny, this had better not be anything rude."

Johnny promises that it isn't, so after giving him a stern look, the teacher lets him read his sentence.

"Yesterday, I was in the car with my dad when a truck crashed in front of us. Piles of fruits and vegetables were spilt all over the road."

"And where does 'contagious' fit into this story?" inquires the teacher.

"My dad said, 'It's gonna take the cunt ages to clean all that up!'"

Thorough examination

A STUNNINGLY beautiful woman was about to have an operation. In preparation for the procedure, she was laid out on a trolley with only a thin sheet over her naked body. A nurse wheeled her down the corridor and parked her outside the operating theatre.

A short time had passed when a man in a white coat approached the bed and lifted the woman's sheet, staring at her with a serious expression. He then quietly consulted with a colleague, who also raised the sheet and inspected the babe.

After another private discussion, they both returned to the trolley, lifted the sheet and began pointing at various parts of the stunna's anatomy.

"Er...excuse me," said the gal on the trolley. "Is everything all right? Will I be going in for my op soon?"

The blokes exchanged puzzled looks. One of them then said with a shrug, "Fucked if we know, love, we're just here to paint the corridor."

Dad's the word

AFTER the birth of his first child, a young father meets up with his own dad for a celebratory drink.

"Son," says the older gent, "it's time I gave you something. This sacred item's been passed down through the male line of our family for generations. Trust me when I say you're going to find it invaluable in the years to come."

With this, he solemnly presents the younger man with a battered, dog-eared book entitled *1000s Of Dad Jokes For All Occasions*.

The son's moved almost to tears.

"I wasn't sure if this book was just an urban legend...I'm honoured!"

"Hi, Honoured," replies his father. "Pleased to meet ya."

"How about role-playing?" suggested his mate. "I did a doctor-patient role-play with my wife on the weekend and we were at it for five hours."

"Five hours!" gasped the first bloke. "How on earth did you manage to keep it up that long?"

"Easy – I left her in the waiting room for 4½ hours."

Beat the heat

TWO brunettes and a blonde are driving through the desert early in the morning when they run off the side of the road and prang into a rock.

Realising the car's a write-off, they decide to walk to the nearest town. The ladies agree to carry one vital item each.

The first brunette takes a bottle of water

to stop the group getting dehydrated during their trek in the fierce daytime heat.

The second brunette grabs a lunchbox full of sandwiches, so they won't die of starvation during their trek.

With a grunt of effort, the blonde picks up a car door which has fallen off in the accident. Not surprisingly, the two brunettes think she's an idiot.

Their fair-haired mate says smugly, "You won't be laughing when the sun's directly overhead and I wind down the window to keep us cool!"

Deja blue

BILL'S wife decides to take him to a strip club as a special treat for his birthday. When they arrive, she's shocked to hear the bouncer greet her hubby by name.

"Bill?" she enquires. "Have you been here before?"

"Oh no, honey. I know him from footy."

At the bar, the bartender grins at Bill and says, "Jim Beam and Coke, no ice?"

Bill's wife frowns. "How does she know what you drink? You're really telling me you haven't been here before?"

"Calm down, love. She also works behind the bar at the RSL. The boys and I always go there for a drink after footy."

As soon as they sit down at a table, a gorgeous, busty stripper slides onto his lap and shoves her tits in his face.

"Billy!" she coos. "They're playing our song! Want your usual lapdance?"

Hearing this, his wife chucks an enormous tanty, slams back her chair, stomps out of the club and makes a beeline for the taxi rank. She jumps into a cab and Bill follows, desperately trying to plead his case.

The cabbie turns around and says, "Geez, Bill, are you ever going to stop picking up these crazy bitches?"

Sizzling Summer
Brielle has our nads
at boiling point

PHOTOS BY DDF PROD

FROM the second we saw “Atomic Blonde” **Summer Brielle**, we needed her like dick needs vagina.

Or like vagina needs vagina, since the American porn starlet was prowling for pussy long before she realised she also liked working with a BIG STIFF ONE.

“I’d been fucking girls for three years on camera – that’s A LOT of glistening pink, moist pussy,” she told porn site *ZZinsider*, “but a girl comes to a point in her life when she needs some dick.”

As we all know, wangdoodles are available in various shapes and sizes. Kinda like TOOTHBRUSHES.

And Ms Brielle has very strong opinions about what sort of male member she prefers.

“Long skinny dicks are no good,” says the titanically titted babe. “I don’t want it to be poking out of my mouth while you’re in my vagina. And, while I like girth, I don’t want a CHEESE WHEEL. It just needs to be wide enough that it touches all sides.

“As for size, the biggest cock I’d fuck is the biggest one that fits!” ▶

**'I WOULD FUCK
THE BIGGEST
COCK THAT FITS!'**

**'I WILL
CRUSH YOUR
PUSSY WITH
MY MOUTH'**

► Spoken like an X-rated superstar who's game for anything!

Was Summer always this confident? The first day on a brand-new job can be pretty scary – and it must be even more so when that job is having SEX on film.

And still MORE nerve-racking if that first day involves fucking your idol...

"I got thrown into the deep end," Summer recalls. "I was already a fan of Nikki Benz and my first scene happened to be with Nikki!

"I was really nervous, but she was so sexy and hot that I just went at it. I soon forgot about being nervous when her pussy was in my face."

Ah, the magic of vadge!

Still, as much as we love watching two fit'n'filthy lasses go at it, we get a tad confused about who decides what goes where.

Or maybe that's overthinking things. Perhaps we should just listen to an expert in lesbionics.

"With women, you never know if she's going to be dominant or submissive," reveals the X-rated beauty. "Unless I'm with a VERY dominant girl – like Britney Amber – I'll be in charge. I will CRUSH YOUR PUSSY with my mouth."

Faaark! Gotta love an old-fashioned pussy crushing! 🍆

WHAT'S something you've ridden other than a cock?

"I've enjoyed many an elephant ride."

LADIES LOUNGE

LAUREN | 23 | People's Choice, Sept. 14

HOW good is getting pissed, Lauren?

"The girls and I get a little TOO rowdy sometimes - we're typical ladettes when we want to be. Then it feels like there isn't enough booze in the bar!"

You're preaching to the choir, buddy.

Do you get a little...FLIRTY when you've had a few?

"Do I?! If I'm totally honest, I'm mad for it when I'm tipsy. I try to keep that under control, though."

Until you've had one too many...

"Especially after a bottle of Shingleback's Red Knot wine or two."

RED KNOT: Cheaper than the fancy stuff, but not so much that you seem tight-fisted! "The Red Knot family of wines are designed for immediate enjoyment, full of ripe, fruit-driven flavours," said some fella walking past. "The style is bright, fragrant and varietal with the emphasis on fruit richness, giving the wine lover a delicious wine experience at an affordable price." Fairy nuff.

KRAY-
KRAY-

CRAZY!

Psycho twins ruled London underworld through fear and torture!

L

LENNY HAMILTON'S memories of **Reggie and Ronnie Kray** are not fond ones. He recalls, "I'll never forget when Ronnie burnt me with pokers. I used to have black curly hair then. He burnt me hair off me. He held a poker across me eyes and said, 'Now I'm going to burn your effing eyes out.'"

Somehow, Lenny avoided being blinded. He was a hardened crim, but he **FEARED** the sadistic twins who controlled London's underworld during the 1950s and 60s through intimidation and torture.

The story of the Krays is revealed in new flick *Legend* – out in Aussie cinemas on October 15 – which sees Tom "Mad Max" Hardy brilliantly playing both brothers.

But no movie can fully capture the brutality and depravity of the Kray twins.

Raised in London's rough-as-guts East End in the 1930s, Reggie and Ronnie were vicious from an early age, fighting with other kids (and each other) till they found an outlet for their violence in boxing.

Their sporting careers ended in 1952 when the twins were called up for National Service, but army life didn't suit them.

"Hours after arriving at the recruiting office," wrote Brian McConnell in his 1969 book *The Evil Firm*, "they beat up the sergeant in charge and walked back into civilian life."

They were eventually caught and dragged back, but spent much of their brief service behind prison bars before being dishonourably discharged.

Even the army couldn't tame the Krays.

The twins then set about establishing a crime empire through protection rackets, while buying nightclubs to make them look respectable. By the end of the 50s, they'd expanded into robbery, hijacking and arson. An 18-month jail sentence for Ron was only a minor hiccup to their plans.

As 1960 rolled round, the Krays ran their lawless kingdom like dictators.

Torturing people for info or money was a regular occurrence...and not even members of their own gang, *The Firm*, were safe.

'I'VE DONE MY MURDER, IT'S TIME YOU DID YOURS'

At the same time, they were friends to royalty and celebs like Judy Garland and Frank Sinatra, who flocked to their swanky West End nightclubs.

"They were the best years of our lives," wrote Ronnie in his 1993 autobiography, *My Story*. "The Beatles and The Rolling Stones were rulers of pop music, Carnaby Street ruled the fashion world and me and my brother ruled London. We were fucking untouchable..."

Or so they thought. The Krays' empire began to crumble in 1966 after Ronnie walked into a pub and shot dead a rival gang member, George Cornell. At the time, it appeared he'd got away with it.

The following year, Ronnie egged on his brother to kill someone as well.

"I've done my one," he allegedly told Reggie, "it's time you did yours."

Reggie eventually settled on Firm member Jack "The Hat" McVitie, who'd offended the brothers. Even though his body was never found, other gang members later confessed that Reggie repeatedly stabbed McVitie to death.

It took the police months to gather enough evidence, but the Krays and most of the Firm were arrested on May 8, 1968.

Once locked away in jail, plenty of formerly frightened witnesses came out of the woodwork to testify against them in court.

The brothers were quickly convicted of the murders of Cornell and McVitie in 1969 and sentenced to life imprisonment.

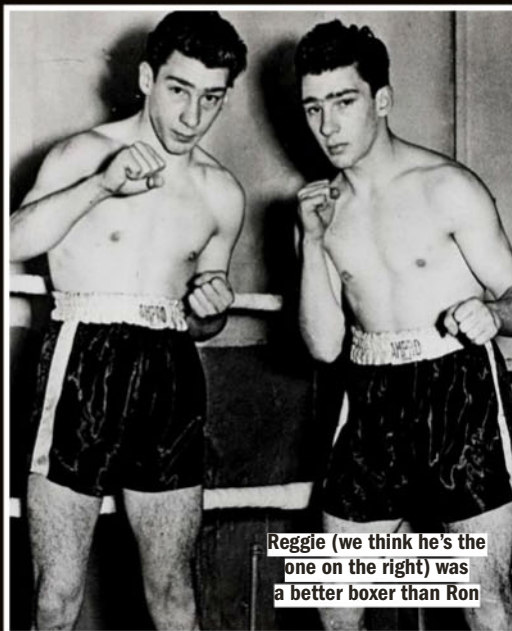

Ronnie was certified insane in 1979. He died in prison in 1995 aged 61. Reggie was released in late 2000 but died a few weeks later, aged 61, from bladder cancer.

"I have no regrets," Reggie told a journo after Ronnie's death. "My brother didn't have any either. We wrought some violence on different people, but we lived in a violent world. I would not change anything."

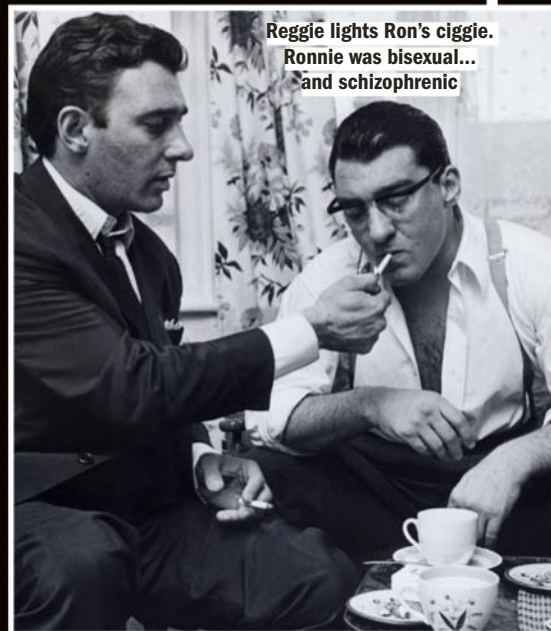

Within months of their conviction in 1969, the Krays were being lampooned by *Monty Python's Flying Circus* in their "Piranha Brothers" skit, where Doug and Dinsdale Piranha terrorise London with "violence and sarcasm" till Dinsdale goes too far by blowing up Luton Airport in an attempt to kill an imaginary giant hedgehog called Spiny Norman (below).

FILMED FACTOIDS

Legend is the second feature film about Reggie and Ronnie. The *Krays* (1990) saw ex-Spandau Ballet band members and real-life brothers Martin and Gary Kemp portray them.

Reggie (we think he's the one on the right) was a better boxer than Ron

Angelina Jolie

GIA

Remember when Ang got nude in her films? Yeah, we miss those days, too

SHE'S the closest thing to Mother Teresa we have these days – what with her adopting six kiddies from all over the world, working tirelessly as a special envoy for the United Nations and discovering a cure for ebola (OK, that last one's just a rumour).

Yep, she's a bloody saint now, but we kinda miss the days when **Angelina Jolie** was a DEVIL WOMAN, keeping a vial of Billy-Bob Thornton's blood tied round her neck and flashing her boobs in every film she appeared in.

Take this raunchy biopic about leading catwalk model Gia Carangi where Ang plays the title role. Gia was a wild'n'crazy chick in the 70s who rose to the top of the New York modelling biz, became a junkie,

contracted AIDS and died in 1986 at age 26. As you do.

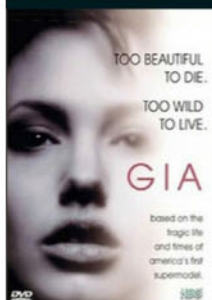

The movie examines her electric personality and lust for life (and sex). In one powerful scene, she does a nude photo shoot with Linda (**Elizabeth Mitchell**) and the pair fuck after it's over. They become lovers and who can blame Linda, considering the chick she's grinding lady-bits with is ANGELINA FUCKING JOLIE!

Anyway, those bare baps are a thing of the past – unless the Hollywood superstar decides to adopt another bub, then whip one out for a quick public breastfeed.

C'mon, Ang, you know you want a seventh rugrat...and SO DO WE! 

Trying to wash away
your sins? Good luck
with that, ladies

TRUE BLUE CONFESSIONS

I'M A 33-year-old Thai lady who's married to an older Aussie guy. Dave and I have enjoyed a kinky sex-life together in the two years I've lived in Oz.

One of the things he likes is watching me flash my boobs or bum at other guys. He says he gets turned on knowing they want me.

Dave stepped things up a notch recently when he suggested we spend a naughty weekend in Sydney and get naked at a "clothing optional" beach.

We drove to one on a warm afternoon and I was pleasantly surprised to see all the wonderful cocks hanging out down there.

I was instantly turned on at the thought of being rooted on the beach in front of everyone, but waited to see what my man had in mind.

We set up a nice spot on the rocks that was far enough away from the other

EYE CANDY

beach-goers but close enough that they could see everything if they wanted to.

We'd only been there about five minutes when I had the sudden urge to give Dave a blowjob. He's never said no to one before, so I pulled his yellow Speedos to one side and started sucking on his fat schlong.

'I PULLED HIS SPEEDOS TO ONE SIDE AND SUCKED ON HIS SCHLONG'

Within moments I could feel the eyes of other beachgoers watching my head bob up and down. Every now and then I paused and glanced around to see blokes holding their stiff pricks, enjoying the show.

"Let's finish this in style," Dave said, lifting me up and lowering me onto his seven-inch meat-stick.

I vigorously humped him till Dave blew his sperm deep inside me. I lay back afterwards and let the other guys get a look at my glistening, hairy cunt while Dave's jism dribbled out and splashed on the rocks.

Afterwards, we both went for a swim to cool down and enjoy the Sydney sunshine.

HAPPY ENDING

I WAS nursing a hangover in Bangkok when I started wondering if the "happy ending" was something they did on home soil.

So, after finding a legit-looking massage parlour, I paid my \$20 and was swiftly taken upstairs by an older-looking gal I'd definitely root when pissed.

"Get out of clothes and put towel on," she said.

I nodded and off we went. We were about 20 minutes in and everything seemed above board, so I put a handie out of my mind.

The woman started massaging my tired legs and thighs and that was when I felt my snake move.

'SHE GIGGLED AT THE SIGHT OF MY ANGRY SOLDIER'

I was really embarrassed and tried to think of ANYTHING that might turn me off, like Bronwyn Bishop in her undies.

The woman continued to massage my inner thighs when I suddenly copped wood.

She giggled at the sight of my angry soldier and without any hesitation started expertly wanking me off. It only took a few tugs before I shot an unexpected-but-welcome 10CC into her oily right fist.

The next few minutes were a bit awkward, at least for me. But she wiped her hands on a towel, then finished the massage like a true professional!

Brett, Qld

I JUST got back from Europe with my best mate Chappo where we had the greatest sexual experience of our lives.

It began during a pub crawl in London. The plan was to enjoy one pint at each venue we came across till we'd either passed out or picked up a hot, fuckable chick.

Thankfully, it was the latter and Anna was by far the naughtiest Brit I'd ever met.

She said she had a thing for Aussie accents and admitted she'd always wanted to root two blokes at once.

Anna, Chappo and I enjoyed two more pints before taking the party back to ours. She sat between us for the short ride to our hostel and was all over

'I BLASTED MY HAPPY LOAD ON ANNA'S ARSE CHEEKS'

Chappo while ignoring me. It continued that way when we arrived home, with Anna unbuckling his jeans belt and giving him a handjob in the lift, while I stood there like a tool.

However, my fortunes turned round pretty quick once we got inside our room. Chappo hopped out of his clothes and knelt on the bed, which was

Anna's cue to get on all fours and swallow his love muscle.

Her round arse looked incredibly inviting from where I was standing.

I stood there appreciating the view till she looked at me and yelled, "Well, you gonna fook me or what?!"

Seconds later we were all rocking and rolling until the inevitable happened and I blasted my happy load on Anna's arse cheeks.

Chappo went a bit longer before blowing his taddies. We then collapsed in a heap on the bed.

It was only 11pm, which meant there was plenty of fun still to be had!

ELIZA DO-LOTS

Wouldn't it be luvverly to do this fair lady?

Name: Eliza

Age: 22

From: Toowoomba, Qld

What's the guts?

Eliza could well be the root of a lifetime. Just give her a bit of time to loosen up and you'll enjoy all sorts of raunchy action!

FEMME
FACTS

IF WE ever scored a chick as striking as Toowoomba babe **Eliza**, 22, we'd be content just making out for hours on her bed. And she probably would, too...at least until she's totally comfy with you and decides to move on to much naughtier things. Now all she needs is a boyfriend. Any takers?

WHAT'S doing in Toowoomba?

"I moved here for tits and money working at The Vault strip club. I absolutely love it. I'm from northern NSW and think the people and lifestyle is kind of the same."

Sweeeeeeet! Do you get home much, Eliza?

"Not as often as I'd like, but I'll be back there at Christmas to get drunk and do some nude sunbathing. I love the feeling of the sun on my pussy. There has

**'I LOVE THE
FEELING OF
THE SUN ON
MY PUSSY'**

also been the occasional outdoor root – like the time I was out kayaking and came ashore to have sex in a secluded spot we found."

We reckon you've got a porn star quality to you.

"Awwwwwww thanks, I'd LOVE to be a porn star! I'd be the kind of gal who stars in classic girl-guy porn. That's the best and most beautiful kind. But I'd reserve anal for my boyfriend and keep it special."

Do you get shy in the bedroom?

"I can be pretty shy initially when it comes to things like giving head or titty-fucking. However, when I get over that, I'm a wild fuck. I love to practise my deep-throating skills. The problem is that I'm single and have no-one to practise on!"

Maybe we can help with that!

What kind of man are you looking for?

"I quite like country boys. Someone who's tall and strong enough, so they can pick me up during sex and do me against a wall would be nice. He also needs to have a strong and straight dick, 'cos I like a good-looking cock."

They're easier to deep-throat than a bendy one.

What was your favourite TV show growing up?

"I watched *Round The Twist* when I was younger – and *The O.C.* in my teens"

Was there a character you had the hots for?

"Seth – played by Adam Brody."

Would you like to be a horny housewife, Chloe?

"Maybe horny but not a housewife."

So no home-cooked dinner when we come back from a hard day's work?

"I don't mind cooking occasionally, but it should be shared between partners."

When was your last wet dream?

"I get enough action in reality for that."

MARIA | 24

Melbourne | VIC

What's your favourite thing to do on the weekend?

"Relax and enjoy LOTS of lazy sex."

When was the last time you were able to do that?

"About two weeks ago – I also spent it out in the garden getting my tan on."

Do you prefer baths or showers?

"Baths...but my place has a shower, so I don't really have a choice."

Have you rooted in the bath before?

"Yeah – it wasn't really worth the effort."

Bugger. Is there somewhere at home you'd like to get it on?

"Not really, I've pretty much done it everywhere already."

**'I WANKED

JADE | 29

Broome | WA

How do you like getting around town?

"Ferries are pretty fun."

And they're a great place to ask a gal out, eh?

"I have my headphones so never get hit on while riding public transport."

Have you ever masturbated in the public realm?

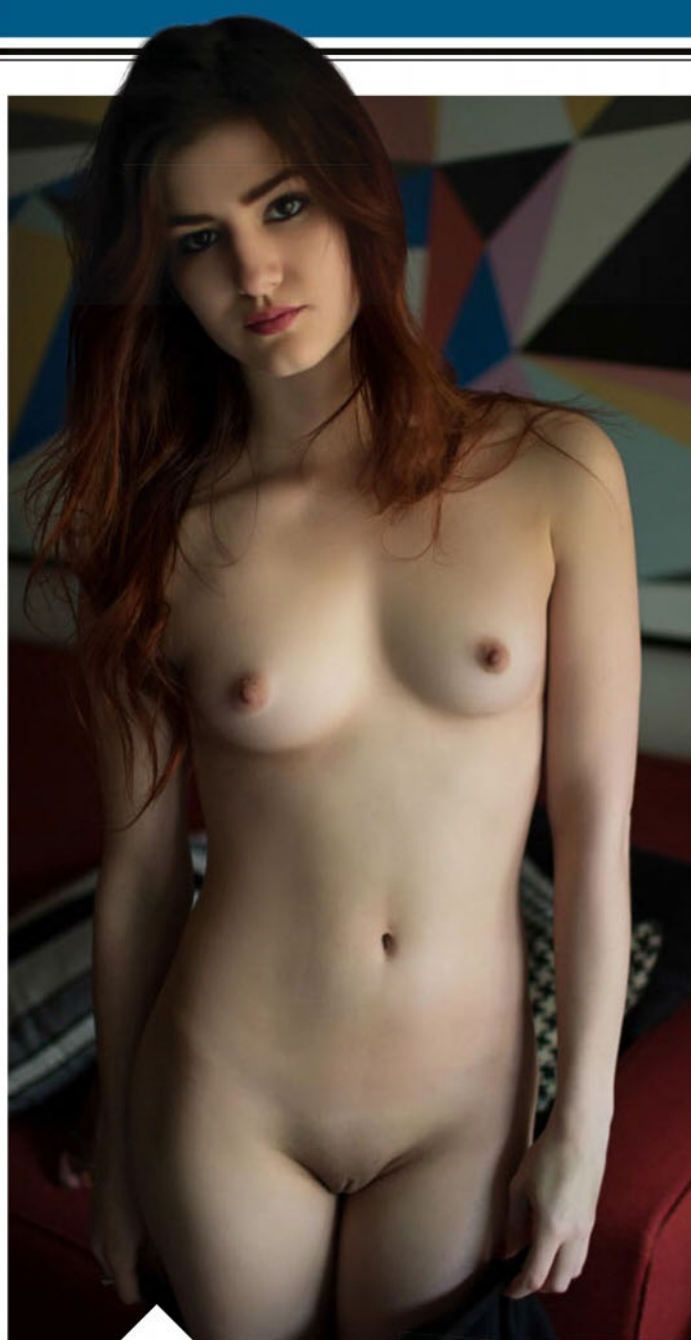

"Once, under my jacket on a bus."

Do mobile phones give you the shits?

"Yeah...when they are paying more attention to their phone than me."

Have you ever been in a potato sack race, Jade?

"No, but I have been in a three-legged race, which is heaps better."

JAYMEE | 20

Geelong | VIC

Would you date an older guy?

"Yeah, of course - but he couldn't be older than, say, 35."

Have you had an experienced bloke?

"He was older than me and VERY good in the bedroom. It was electrifying."

Would you like to model fulltime?

"Sure, if I was offered a good contract with fun work."

Are you one of those people who holds their pee till they're about to burst?

"I'm a hold-it-in enthusiast."

Where would you like to go on your next holiday?

"All over Europe - there are SO many different things to see there."

Do you remove the shit line in prawns before eating them?

"I gently take off the head and tail before peeling the skin from the head and get all the nasty stuff out in one."

Just like playing with a knob! Would you sleep with a clown in full costume?

"It depends on whether the said clown was hot."

Are you one of those folk who chase a departing bus, Heather?

"I'm more likely to hail down a cab these days."

Have you ever yelled at someone on a bus?

"Yeah, the driver – 'cos he was a MANIAC at the wheel and had people falling over as a result."

Would lesbian action be inevitable if you were on a desert island with a chick?

"It's perfect for some girlie action: skinny-dipping for brekkie and coconuts for lunch..."

'I LOVE

BOOBS WE
LOVE!

SCARLETT | 25

Toowoomba | QLD

You sound sleepy! Did we wake you?

"Yeah, I was out being a night whore yesterday and didn't get home from an after-party till late."

We bet those NORKS score heaps of attention.

"No matter where I go! I love my natural tits... they're so soft and juicy."

They'd be heaps fun in bed, too.

"Like you wouldn't believe. That's why I like being on top, so the guy and I can BOTH enjoy them."

What do YOU love?

"I'm really into vaginas. I know that might sound weird but, fuck! I LOVE seeing the different ways they come."

They're all beautiful at the end of the day.

"Totally! I love pussy."

PAIGE | 21

Dee Why | NSW

Do you get asked out on the street?

"A guy once felt the need to show me his butt tattoo in the street."

Urm...?

"I think he was progressing towards asking me out on a date but, needless to say, I got out of there pretty quickly."

Have you ever dodged buying a bus or train ticket?

"Yeah, all the time when I was like 16."

Would you want a knob for a day?

"My boobs and a penis could make for an interesting combination."

Naughty! Do blokes send many dick shots to your mobile phone?

"This is a problem I don't have."

KJ | 26

Sydney | NSW

Have you ever rooted at your job?

"No, but it's a big fantasy of mine."

What about outdoor shagging?

"I had sex on a park bench once."

Where would be the ultimate place to get your hump on?

"On one of those outdoor water trampolines they have at resorts."

Sounds sexy! Which celebrity would you like to make sweet love to?

"Michael Weatherly. He plays Anthony DiNozzo in NCIS."

That forensic scientist is pretty hot, too. What about her?

"Abby? I'd definitely have a threesome with them!"

MODEL CITIZENS

RUTH | 22

Whale Beach | NSW

Have you been caught tanning in the nude, Ruth?

"My ex-housemate caught me a few times while tanning in our backyard. I think she must have secretly enjoyed 'busting' me."

We don't blame her! What do YOU love about boobs, Ruth?

"They're partly responsible for my income. They're also nice and squishy and fun to play with."

Is there anything else you love about a woman's body?

"The most important thing is her face. A pretty girl beats one with good tits any day of the week."

If you were to make a porno what would it look like?

"I'm pretty traditional, so it'd probably be a threesome – two girls and a guy in an office setting. Yeah!"

Is there anything you need to improve on or change in the bedroom?

"I probably need to quieten down a bit in there. That'd be the only complaint I get from others."

PHOTOS BY MET-ART

WITH those massive baby blues, perfect porcelain skin and irresistible natural curves, fresh-faced university student **Pandora** looks like the picture of innocence.

But once the former Catholic schoolgirl hit tertiary education, she went on an epic SEX BENDER – and she's been a bad, bad chick ever since.

"It's a bit bizarre. People think I'm this sweet little angel who doesn't drink or swear, and will only have sex in the missionary position with the lights off," scoffs the 22 year old. "I really like proving them wrong!"

Pandy says she had a sheltered upbringing, growing up in a wealthy area and going to a posh all-girl's school in NZ. Naturally, as soon as she left home, the first thing she did was rebel like fuck to become ►

► the sexual animal we know and lust after today!

"My mum and dad were very strict. For example, I wasn't allowed to watch *Home And Away* 'cos it was a bad influence!" laughs Pandora. "And I was taught sex before marriage was wrong."

She goes on, "I'd had enough by the time I was 18. I went travelling before uni, and God! What an eye-opener! I travelled to England and ended up in Greece. I literally fucked myself raw for four months with guys of every body type and colour. Sometimes we couldn't even speak the same language, but that pure physical connection ...soooooo amazing!"

We still can't get our heads around that no rooting before marriage decree from your olds.

"Well, obviously, that's not for me!" says Pandora firmly. "I must have had these repressed urges, but they've now been unleashed on the world!"

**'SEX SHOULD
BE TAKEN
IN VAST
QUANTITIES'**

"I now firmly believe sex should be taken in vast quantities."

Thank fuck for that! Or we'd have to propose to you.

"I mean, my first time wasn't great. It was in London and I was nervous 'cos I hadn't even had a boyfriend. I could barely even speak to a guy without blushing! But you know what? The only way to get better at anything is practice, practice, practice."

Indeed! And it looks like after four years of regular practice, this little champion's now an expert. Or is that SEXPERT?

Superfast

Eagle Entertainment, rated M, out October 14

RRP: \$29.95 (DVD/Blu-ray)

What's the guts? Stop us if you've heard this story before. A cop decides to smash the illegal street-racing scene in Los Angeles by going undercover and joining a gang. But when he meets this fast and furious crew our hero gets roped into their crazy plan to steal a heap of cash from a local crime boss. The money's stored in a Taco

Bell store, which the gang aims to tow away in their souped-up hot rods. It sounds fuggin' ridiculous, but then again so is the whole bloody movie!

Anything else? If any film franchise is overdue for a pisstake it's the *Fast & Furious* series. Expect the same hilarious shenanigans from the spoof comedy geniuses who also gave us *Scary Movie*, *Vampires Suck* and *Meet The Spartans*.

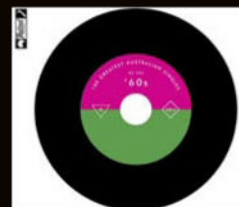

Final word: Furiously stupid fun.

100 Greatest Australian Singles Of The 60s

Festival Records, out October 23, RRP: \$24.95

What's the guts? Try to name your top 10 fave songs. Not easy, is it? Now, imagine having to name the 100 greatest songs recorded by Aussie artists in the 1960s? That's a bloody headache and a half! However, some brave souls have done it and put all these fab tunes onto this fantastic new release!

Anything else? This massive four-CD set covers 1960-69 and every musical genre scores a guernsey, from The Seekers' pop-folk to the Wild Cherries' psychedelic rock. It's so crazy good that we did the Frug and Mashed Potato all arvo in the *People* office while listening to it. **Final word:** A ton of fun!

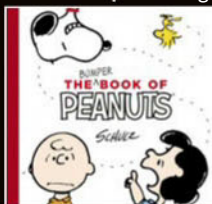

WIN!

THE good guys at Festival Records have sent us FIVE CDs for this contest. To enter, just tell us **IN ONE SENTENCE** your fave 60s artist. The five most swinging answers will earn a CD. Mark your entries "100 Greatest comp".

By Charles Schultz
Allen & Unwin, out November 1, RRP: \$35

What's the guts? Daily newspaper strip *Peanuts* kicked off in the early 1950s and ended with the death of its creator Charles Schultz in 2010, but its real heyday was during the 60s, 70s and 80s.

This huge book collects the best strips from that Golden Age in one fantastic volume.

Anything else? All your *Peanuts* heroes are here including Charlie Brown, Lucy, Linus, Peppermint Patty, Woodstock and, of course, Snoopy. This book will make a perfect Chrissie present for family members of all ages.

Final word: Oh good grief! Just buy the book, OK?

WIN!

COURTESY of Allen & Unwin we have THREE books on offer. To get yours, just tell us **IN ONE SENTENCE** which *Peanuts* character rules. The three most curious answers will win a copy. Mark your entries "The Bumper Book Of Peanuts comp".

The Perfect Crime

By Cold Chisel
Universal, out now, RRP: \$20

What's the guts? Arguably Australia's greatest rock band, Cold Chisel, are back with a killer new studio album, *The Perfect Crime*. The first single, *Lost*, shows the band haven't...ahem, LOST a step since they first formed in 1973. Band member Don Walker revealed, "*The Perfect Crime* is probably the most rock'n'roll album we've ever done.

Now we can't wait to get out and play these songs on tour."

Anything else? The iconic band are promoting the album's release by travelling the country on their *One Night Stand* tour, including several gigs with fellow legends Grinspoon as the support act. Chisel frontman Jimmy Barnes said, "We've done a couple of really memorable shows with Grinspoon. They're a great band and a really good fit with us." Check coldchisel.com for details on how to buy tickets.

Final word: It'd be a crime not to buy this ace album!

WIN!

IT'S *Saturday Night* every night if you get your hands on this rockin' CD, courtesy of our chums at Universal. To win one of FIVE on offer, just tell us **IN ONE SENTENCE** the Chisel tune that means most to you. The five coolest answers will score a CD. Mark your entries "Cold Chisel comp".

A full-page photograph of Maitland Ward posing in a black latex costume. She is wearing a long-sleeved top with a low back, long gloves, and a thong. She is holding a black bag and looking over her shoulder at the camera. The background shows a building with a grid-like facade.

MAITLAND WARD | 38 | Cosplayer

KILLER CURVES

FORMERLY a TV soap star, gorgeous Seppo redhead **Maitland Ward** describes herself these days as a “cosplay queen”.

From what we can tell, the stacked babe prefers to dress up as female characters famous for their skimpy costumes. It's a theory supported by this pap snap of her playing the sexy assassin *Æon Flux* from the cult MTV cartoon series (and ordinary live-action movie) of the same name.

Maitland unveiled the outfit at the recent Long Beach Comic Con event in California, leaving hordes of fanboys puzzling at the strange stirrings in their trouser regions – and feeling a sudden desire to purchase an *Æon Flux* DVD.

Or hire a big-buttied prossie for anal sex.
